

Sorry I cannot call
**I'd like to hear
your views...**

I would have liked to call and speak to you about the work I am doing as your County Councillor. But keeping everyone safe during the Corona-virus Pandemic is more important. I would still like to hear from you, though.

Please take a look at the questions on the other side of this leaflet. Answer them if you would like to, and just leave the leaflet in your letterbox for me to collect later.

Thank you!

Ed Maxfield, County Councillor

What's the most important challenge right now that you think the Council should be helping to sort out?

The County Council provides these services. Rate how important they are to you? From 5 (very important) to 1 (not important):

Caring for older people and adults with long term conditions

Services for children

Looking after local roads

Libraries and museums

Please tick if you support my campaigns to:

Give care workers a fair deal by paying them at least the Real Living Wage

Make local roads safer for walkers and cyclists

Give our children a fair chance at school by boosting funding for those in need of support

Get the council to stop wasting money on car parks and meeting rooms at County Hall in Norwich

What local issues or problem would you like to see fixed?
